Re: BOIL WATER ADVISORY ISSUED TO PINAWA WATER SYSTEM

Dear Gisèle Smith:

Drinking Water Officer, Shannon Ganter has advised me that the Pinawa water system has met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the Pinawa water system on October 6, 2020.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Shannon Ganter, Regional Drinking Water Officer at 204-371-3885.

Sincerely,

Dr. Tim Hilderman
