PRESS RELEASE

RESIDENTS RETURNING FROM OUTSIDE CANADA must self-isolate for 14 days. Keep to your property, apartment or condo.

The LGD of Pinawa is grateful to every one of its citizens who are doing their part to help stop the spread of COVID-19. The safety and well-being of our community is our greatest priority. Our daily lives are being impacted in ways we have not experienced before, with no way of predicting how long the restrictions imposed by the Chief Public Health Officer will continue at this time.

Residents who would like to find out the latest information about COVID-19 and decisions that are being made by the Provincial Government/Health Officials are encouraged to check out www.gov.mb.ca. There is a direct link to "What you need to know about COVID-19 Learn More". It has the current situation, links to COVID-19 bulletins, and if you scroll down you will find the video of the daily 11 am press conference, which includes a Q & A session with the media.

Our municipal team is working hard to keep our services running, and our Municipal Emergency Coordinator is managing communications with EMO Manitoba, Interlake-Eastern RHA, and various stakeholders within the community. An information portal is being developed to help residents find quick answers to their questions, and current accurate bulletins from the province.

It's critical at this time not to second guess the decisions being made by our local services. Recommendations and advisories from Public Health are very dynamic at this stage, and it takes time to implement them properly.

Until further notice, all public buildings within the LGD of Pinawa are closed.

Solo Market remains open to the public, with restrictions.

Pinawa Pharmacy is providing services by delivery only - no pickups.

Canada Post remains open at this time; respect the social distancing guidelines.

The Pinawa Golf and Country Club has food available by take-out only.

Pinawa Hospital – no visitors

Co-op Gas Station - open

The Public Works schedule remains unchanged at this time.

Public notices will be posted online at pinawa.com and community social media channels. We are developing a way to communicate with residents who do not have access to the internet.

Please continue to stay safe by social distancing and self-isolating. Reach out to your friends and neighbours with phone calls and online communication.

We are all in this together, and together we will get through it.
